

Lucas ACR / A127 / A133 Type WOSP Replacement Alternators

R/H ALTERNATOR MOUNTING

L/H ALTERNATOR MOUNTING

As the 'original' Lucas 16/17/18 ACR & A127 type alternators are now mass produced in China for the classic car market and WOSP only supplies OE based units (branded, produced in house and warranted) then below are some options including the standard aftermarket items which we do keep in stock, but don't manufacture in house or warrant.

Standard Lucas 'aftermarket' units are:
